

# POST COMPLETIONS ASSISTANT

## The Company

We are a commercially minded, dynamic and entrepreneurial business maintaining the highest level of integrity in all our working relationships. We pride ourselves on service excellence, offering legal expertise and friendly assistance for clients and referrers looking for advice.

The Partnership is one of the first *Alternative Business Structures* (ABS) offering transparent, innovative and reliable conveyancing services. We are regulated by the Council of Licensed Conveyancers and are one of the very few ABS's to employ qualified solicitors who are individually regulated by the Solicitors Regulation Authority.

We are enjoying huge growth driven by our talented employees; who are passionate and willing to go that extra mile to give fantastic service. The ideal individual will want to be part of our success, want to make a difference by bringing exciting ideas and who aspire to develop themselves.

The common thread amongst all Partnership staff is a commitment to exceed client expectations and ensure that we continue to provide the best service on the market.

## The Role

Our rapid growth means that we are always looking for outstanding post-completion assistants who want to learn more about the conveyancing process. You have the responsibility to ensure that all files are managed effectively from completion through to closing. This involves working primarily with Land Registry, mortgage lenders, management companies and also ensuring that the clients receive all their documents at the end of the process. The responsibility to ensure that the correct retentions are kept and that CML guidelines are met is key to ensure the company's ability to continue to work with mortgage lenders, so is absolutely vital to the running of the organisation.

Our people are chosen for their natural ability in encouraging and supporting their colleagues; with an innate desire to be the best. They take pride in everything they do and in what we stand for. We promote a harmonious working environment and place emphasis on having fun whilst working hard.
