SOFTWARE DEVELOPER

THE PARTNERSHIP
Property Solicitors

The Company

We are a commercially minded, dynamic and entrepreneurial business maintaining the highest level of integrity in all our working relationships. We pride ourselves on service excellence, offering legal expertise and friendly assistance for clients and referrers looking for advice.

We are enjoying huge growth driven by our talented employees; who are passionate and willing to go that extra mile to give excellent service. The ideal individual will want to be part of our success, wants to make a difference, bringing exciting ideas and who aspire to develop themselves.

The Role

To drive the development of our critical internal and client-facing systems. We are one of the very few companies in the legal market with bespoke software development and the competitive edge that it provides. The system, whilst extremely efficient, needs both development and significant improvement in terms of enhancement, security reviews and extensive new work.

Key Technical Abilities

- Understand commercial development techniques including robust approaches to testing strategies
- Strong working programming knowledge of PHP, CSS, HTML and Javascript
- Good understanding of MySQL databases and XML

Responsibilities

- Work with the Managing Director to gain a strong understanding of the system
- Review all security aspects and database design of the system
- Extend new iPartnership client portal offering
- Design and build new dashboard, reporting and alerting for internal users
- Design and build a robust test framework
- Design and build a new XML integration with third party product
- Document database and scripts
- Improve and enhance maintainance suite
- Implement an archiving strategy for completed cases to ensure database size remains manageable
- Assist with technical support issues in the office, when requested

What we are looking from you

- Cheerful and friendly disposition at all times
- Someone who can work as part of a team
- Strong attention to detail is imperative with great organisation skills
- Able to work under pressure and consistently hit deadlines
- Ability to think "*out of the box*"; we want people who look to improve the way things can be done.

Benefits

- Private health benefit
- Childcare vouchers
- 23 days' holiday per annum (plus 3 days leave between Christmas and New Year)
- Social events arranged quarterly
- Free fruit, fizzy drinks, biscuits, orange juice and chocolate!
